Thinking Day Greetings from the Area Co-Commissioners!

This February 22nd many of you will be celebrating the co-birthdays of Lord and Lady BP, and celebrating Guiding around the world.

Whether that celebration takes the form of a tea, a swim, a food drive, or a colouring sheet, it is important to let the girls know we are part of the largest women's organization in the world!

We both have had the privilege of visiting all of the Guiding World Centres. In Pax Lodge in London we met Rangers who spoke more than five languages. In Mexico, orphans, who were members of Guides, showed us a thing or two about sewing. In Sangam in India, we discovered that simple food and daily yoga makes you feel very good, and in Switzerland we were humbled by the fitness of Guiding families there, hiking in the mountains, led by Grandma.

Different experiences, but one common bond: Guiding, and the immense respect our organization has in these places, by the members, the staff, the neighbours, and the community.

We think you will find that in your own communities this respect for what you do with girls is more present than you may realize. It is important, it is universal, and it is only possible because you give of your time. Thanks as always.

Let's celebrate!

Christine Tessier and Robi McKnight
Rivers North Area Co-Commissioners

Did you know?

Area pays:

- 1) \$150 for any Guider attending a wilderness First Aid Course.
- 2) \$250 per district for Camping Equipment.

Plus all transport to:

- 1) Cupcakes and candles
- 2) Spark/Brownie Revels and Guide/Pathfinder Rallies and \$10 per girl participant when more than one District attends and a challenge crest is completed.
- 3) The Area Fun and Friendship Event for all Guiders.
- 4) All Area training events, and reimburses the fee after the Guider attends.
